PARENT COMMITMENT FORM

As parents/guardians, we know we have the privilege and responsibility for the education of our children. With God's guidance, we also partner with East Liverpool Christian School to provide for our child(ren)'s education. Together, we believe this is the best plan for our family. We have read and understand the Student Handbook. Although every situation cannot be covered by a specific rule, we agree to stand with the decisions made by teacher/administration in the implementation of the policies set forth.

A crucial part of East Liverpool Christian School's mission is to promote spiritual development and a Biblical world view in the lives of their students. This includes teaching a Biblical understanding of morality and to pursue a life that is governed by this Biblical code. Both the school and the home come under the authority of God for the benefit of our students. The school board and the employees of the school are in agreement with these policies. Therefore, the school reserves the right, as a faith based institution, to refuse admission of an applicant or discontinue enrollment of a student if the atmosphere or conduct within a particular home or the activities of a student are in opposition to the Biblical lifestyle the school teaches. This includes, but is not limited to sexual immorality, disregard for/breaking civil laws, disrespect for human life at any stage (Genesis 2:18-23, Genesis 2:20-24, Romans 13:1-5, Leviticus 18:22-23, Romans 1:20-32, Psalm 139:13-16, Romans 12:17-21), promoting such practices, or being unable to support the moral principles of the school. Your signature below does not require or indicate agreement with the policy, but signifies awareness and compliance with said policies.

We also agree to take an active role in our child(ren)'s education, setting time aside each day for homework or helping them memorize Bible verses, math facts, review for tests, etc. Checking grades regularly and attending parent/teacher conferences will be ways we support our student's efforts to succeed in school. We commit to the Matthew 18 principle if there should be a conflict. We will not malign the school or its employees verbally or through any form of social media so that the name of Jesus does not suffer.
